Objective is to get a job as a programmer. I love to do programming, since I have gotten into computer science my passion for programming has always been getting more and more. So, my goal is to be in a company where there is a lot of opportunity for me to learn and improve and where I can grow by time, a company which has been working on some really interested projects.

EXPERIENCE

09/2016 – 03/2020

SALES AND SERVICES MANAGER, SUBON3RD INC

In charge of inventory, which included ordering supplies, managing instore products and keeping the record of inventory.

Supervised work colleagues in terms of services and daily cash register balances.

Balanced cash registers daily for better cash flow for business.

Managed customer complaints.
